#### One vote

The heat of summer has finally arrived. July 4 has passed, and with it most thoughts of upcoming elections. Judging by the turnout in the last election, most thoughts about voting disappeared than as well.

Someone once said that "liberty means responsibility — that is why most people avoid it." An often heard response to the question of why didn't you vote is why bother to vote? My vote doesn't count for anything.

Wrong! History provides some vivid lessons why a failure to exercise that one vote could have changed the course of human events forever. For example:

In 1645, one vote gave Oliver Cromwell control of England.

In 1649, one vote caused Charles I of England to be executed.

In 1776, one vote gave America the English language instead of German.

In 1845, one vote brought Texas into the Union.

In 1868, one vote saved President Andrew Johnson from impeachment.

In 1876, one vote changed France from a monarchy to a republic.

In 1876, one vote gave Rutherford B. Hayes the presidency of the United States.

And in 1923, one vote gave Adolph Hitler leadership of the Nazi Party.

Is your vote important? Your free life depends upon it.

Discussed these two items in Frank Wade's fine social studies class today:

When Kozmaruk called me at 6:45 PM he said I would be joining him; when I arrived at the school (with the Friedman ad & the independent editorial, both shown here) for Frank Wade, Kozmaruk told me I was to replace Frank Wade. Excellent. No classes all went very well.

stopped at Grey Court after school; IHRP reported that EAG/GGS had called; I had something to eat at the Grey Court & then went into town & went directly to Cemetery. Edith & Gertrude there and in fine form; both looked very well, very well indeed. They were cooking their dinner: Roast Chicken & baked sweet potatoes & Creamed corn. I had tea with them. GGS gave me some "Danville syrup" and also a very beautiful quart Mason jar — very old — blue-tinted — "Mason's / Patent / Nov-30 / 1858" She & EAG were on their way to see Kurt Reed do a presentation on cut glass at a meeting of the Delphic Study Club at the Baptist Parsonage. GGS had this Mason jar & another bottle & an old pair of ice skates that she was going to give to Kurt Reed. She asked me if I wanted them & I said I would love to have the Mason jar. GGS & EAG both renewed their CHSDM memberships for 1985 — both at \$25.00 each.

called Saul's in the late afternoon to report that, once again, my gas tank is leaking. I was very firm in asking that I be given a new gas tank. The young man at the service desk, who has a wonderful "bedside manner" for a service desk person, was very supportive and understanding and made the order slip (shown at left) "Critical". I believe he said that my new tank will be installed on Monday or Tuesday, I believe he said.
